

Materials List

Botanical Illustration

Diana Patin, Instructor

The supply list for this class is pretty short and simple. I have separated it into two categories, of which you only *need* the items in the first section, but if you want to play more with adding color and experimentation, check out some of the supplies under “recommended additions!” As far as colors go, pick whatever stands out to you!

NECESSITIES

- Sketchbook (I recommend 9x12 to encourage you to draw larger!!)
- Sakura Micron or Le Pen Drawing pens in the following sizes
 - 0.3
 - 0.5
 - 0.8
- Familiar pencil and eraser for sketching
(whatever you have is fine here, doesn't have to be anything fancy)

RECOMMENDED ADDITIONS

- Additional pen sizes!! Recommendations include:
 - Micron GR (1)
 - Micron or Le Pen Brush Pen
 - 0.1
- Circle template
- *things to bring if you already have them: colored pencils, watercolor, gouache, and paint pens to add color to your drawings! We will experiment with different media throughout the class.
