

MAUDE KERNS ART CENTER

CORONAVIRUS UPDATE

as of 24 March 2020

In response to Oregon's "Stay Home, Save Lives" Executive Order, the Art Center is closed. We will do everything we can to reopen the Art Center as soon as we can. We are planning to reopen on May 4th. However, this may change based on updated information from our local, state, and federal government.

Classes:

If you were planning to register for a spring class or studio, please do. Your registrations will help sustain the Art Center through this hard time. Class credits can also be maintained for future classes.

We plan to delay the start of classes for Spring term to May 4th. As things change, you can monitor class postings on our website for details. http://www.mkartcenter.org/classes_main.html

During this delay, we are developing new ways to provide additional education programs online.

Exhibits:

Our upcoming exhibit, "Curator's Choice: De Colores," has been cancelled. We are developing ways to create online exhibit content, so stay tuned.

Stay Connected:

The Art Center may be closed, but our staff is working hard to find ways to stay connected. To help you stay engaged and artistically inspired, check out the Art Center on Facebook (<https://bit.ly/3bmeOSI>) and Instagram (<https://bit.ly/2Wlcv0L>) and view our artist profiles on our YouTube Channel (<https://shorturl.at/IPVY8>)

Thank you for your ongoing support during these challenging times. We are committed to providing art for the community and to supporting our community of artists and students, to the greatest extent that we can.

We hope that you are safe and stay well.

Best,
Maude Kerns Art Center

STOP THE SPREAD OF GERMS

Help prevent the spread of respiratory diseases like COVID-19.

Avoid close contact with people who are sick.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Avoid touching your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
