

## ***Botanical Illustration, Spring 2023***

***Diana C Patin, Instructor***

### ***Materials List***

The materials list for this class is pretty short and simple. I have separated it into two categories, of which you only \*need\* the items in the first section, but if you want to play more with adding color and experimentation, check out some of the supplies under “recommended additions!” As far as colors go, pick whatever stands out to you.

#### **Necessities**

- Sketchbook (I recommend 9x12 to encourage you to draw larger!!)
- Sakura Micron or Le Pen Drawing pens in the following sizes
  - 0.3
  - 0.5
  - 0.8
- Familiar pencil and eraser for sketching  
(whatever you have is fine here, doesn't have to be anything fancy)

#### **Recommended Additions**

- Additional pen sizes!! Recommendations include:
  - Micron GR (1)
  - Micron or Le Pen Brush Pen
  - 0.1
- Circle template
- Paint or colored pencils to add color into your drawings
- Posca paint pens in whatever colors you like! (1M and 3M are good sizes)
