

**Maude Kerns Art Center**  
***Communicable Disease Management Plan***

We at Maude Kerns Art Center will be taking measures to maintain the best environment that we can in order for us to open our doors again.

- **All surfaces in the Art Center will be disinfected and sanitized regularly.**
  - This will include bathrooms, doorknobs, handrails, and other frequently touched surfaces.
  - Staff will disinfect the restroom every morning, midday, and evening.
- **No person will be allowed to work or attend class with a temperature over 100.4 or other visible symptoms associated with Covid-19.**
- **All instructors and students are encouraged to wash their hands.**
  - Upon entry into class, before leaving for the day, and any other time deemed necessary.
  - Sinks will be limited to one person at a time, and no lines will be allowed to form.
- **Masks will be worn by instructors at all times while indoors, and outdoors when social distancing cannot be maintained.**
  - Students will be asked to wear masks while interacting with instructors and other students, moving around the classroom, and outside when social distancing cannot be maintained.
- **Art Supplies will not be shared between students.**
  - Each student should have their own supply box for the week holding all the materials they will need for camp.
