

Dear MKAC Members,

We wanted to let you know of a new and easy opportunity for you to support the Art Center. We are now registered at Market of Choice as one of their "4%" beneficiaries. If you go online to register your card, every time that you shop at Market of Choice the Maude Kerns Art Center will receive 4% of your purchase price! Please see the flyer below for directions. It should not take more than a minute of your time.

Thanks so much!
The Staff at MKAC
